HOUSE ACTION ON SENATE MESSAGES

***House Bill No. 1020** -- Real Property - As introduced, enacts the "Short-Term Rental Unit Act" and revises other provisions concerning short-term rentals, including taxation. - Amends TCA Title 5; Title 6; Title 7; Title 13; Title 56; Title 62; Title 66; Title 67 and Title 68. by *Sexton C. (SB1086 by *Stevens)

Rep. C. Sexton moved that the Report of the Conference Committee on House Bill No. 1020 be adopted and made the action of the house.

CONFERENCE COMMITTEE REPORT ON HOUSE BILL NO. 1020

The House and Senate Conference Committee appointed pursuant to motions to resolve the differences between the two houses on House Bill No. 1020 (Senate Bill No. 1086) has met and recommends that the following amendments be deleted: House Amendments No. 1, 3, and 10 and Senate Amendments No. 2, 3, 7, and 9.

The Committee further recommends that the following amendment be adopted:

by deleting all language after the caption and substituting instead the following:

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 13, Chapter 7, is amended by adding the following new part:

13-7-601.

This part shall be known and may be cited as the "Short-Term Rental Unit Act."

13-7-602.

As used in this part:

(1) "Effectively prohibit" means a local governing body acts or fails to act in a manner that prevents a property owner from using the owner's property as a short-term rental unit after reasonable compliance with generally applicable local laws;

(2) "Generally applicable local law" means an ordinance, resolution, regulation, rule, or other requirement of any type other than zoning enacted, maintained, or enforced by a local governing body that applies to all property or use of all property and does not apply only to property used as a short-term rental unit;

(3) "Used as a short-term rental unit" means the property was held out to the public for use as a short-term rental unit, and:

(A) For property that began being held out to the public for use as a short-term rental unit within the jurisdiction of a local governing body that required a permit to be issued or an application to be approved pursuant to an ordinance specifically governing short-term rental units prior to using the property as a short-term rental unit, a permit was issued or an application was approved by the local governing body for the property; or

(B) For property that began being held out to the public for use as a short-term rental unit within the jurisdiction of a local governing body that did not require a permit to be issued or an application to be approved pursuant to an ordinance specifically governing short-term rental units, the provider remitted taxes due on renting the unit pursuant to title 67, chapter 6, part 5 for filing periods that cover at least six (6) months within the twelve-month period immediately preceding the later of:

(i) The effective date of this act; or

(ii) The effective date of an ordinance, resolution, regulation, rule, or other requirement by a local governing body having jurisdiction over the property requiring a permit or an application to be approved pursuant to an ordinance specifically governing short-term rental units;

(4) "Local governing body" means the legislative body of a city, municipality, county, or other political subdivision of this state that has authority to enact a zoning ordinance, resolution, regulation, rule, or other requirement of any type regarding land use in its jurisdiction;

(5) "Prohibit" means to forbid or ban the operation of short-term rental units, either permanently or temporarily, within a local governing body's jurisdiction, portion of the local governing body's jurisdiction, or a portion of an owner's property;

(6) "Property" means a tract of land as recorded with the register of deeds office of the county where the property is located;

(7) "Provider" means any person engaged in renting a short-term rental unit and includes an owner of a residential unit that is made available through a vacation lodging service as that term is defined in § 62-13-104;

(8) "Residential dwelling" means a cabin, house, or structure used or designed to be used as an abode or home of a person, family, or household, and includes a single-family dwelling, a portion of a single-family dwelling, or an individual residential dwelling in a multi-dwelling building, such as an apartment building, condominium, cooperative, or timeshare; and

(9) "Short-term rental unit" or "unit" means a residential dwelling that is rented wholly or partially for a fee for a period of less than thirty (30) continuous days and does not include a hotel as defined in § 68-14-302 or a bed and breakfast establishment or a bed and breakfast homestay as those terms are defined in § 68-14-502.

13-7-603.

(a) Except as otherwise provided in subsection (b), an ordinance, resolution, regulation, rule, or other requirement of any type that prohibits, effectively prohibits, or otherwise regulates the use of property as a short-term rental unit shall not apply to property if the property was being used as a short-term rental unit by the owner of the property prior to the enactment of the ordinance, resolution, regulation, rule, or other requirement by the local governing body. The ordinance, resolution, regulation, rule, or other requirement in effect at the time the property began being used as a short-term rental unit is the law that governs the use of the property as a short-term rental unit until the property is sold, transferred, ceases being used as a short-term rental unit for a period of thirty (30) continuous months, or has been in violation of a generally applicable local law three (3) or more separate times as provided by § 13-7-604. For purposes of this subsection (a), an ordinance, resolution, regulation, rule, or other requirement is in

effect at the time it is lawfully enacted by the local governing body and not the time in which it is introduced for consideration by the local governing body.

(b) Notwithstanding subsection (a), an ordinance, resolution, regulation, rule, or other requirement of any type enacted prior to January 1, 2014, that prohibits or effectively prohibits the use of property as a short-term rental unit may apply to any property within a local governing body's jurisdiction, regardless of the property's existing use. However, this subsection (b) applies only to ordinances, resolutions, regulations, rules, or other requirements that expressly limit the period of time a residential dwelling may be rented, and does not apply to ordinances, resolutions, regulations, rules, or other requirements that generally prohibit commercial activity or the renting of residential dwellings to transients.

13-7-604.

(a) Section 13-7-603 does not prevent a local governing body from prohibiting the continued use of property as a short-term rental unit if, as a direct result of the operation of the short-term rental unit, the unit has been in violation of a generally applicable local law three (3) or more separate times, and the provider has no appeal rights remaining for any of the three (3) violations. The burden of proof that a violation of a generally applicable local law was a direct result of the operation of the short-term rental unit is on the local governing body.

(b)

(1) The local governing body may authorize short-term rental units through a permitting or application process.

WHEREAS, in enacting the Emmett Till Unsolved Civil Rights Crimes Reauthorization Act of 2016 (Public Law No. 114-325), Congress expressed its sense that all authorities with jurisdiction over unsolved civil rights crimes should meet regularly with civil rights organizations, institutions of higher education, and department of justice-designated entities to coordinate information sharing and discuss the status of work in this area; and

WHEREAS, Tennessee is in need of a central repository to gather, store, refer, and coordinate efforts presently ongoing in the private sector and institutions of higher education; now, therefore,

(2) No memorial or public property that contains a memorial may be sold, transferred, or otherwise disposed of by a county, metropolitan government, municipality, or other political subdivision of this state.

(3)

(A) Notwithstanding subdivision (b)(1), a public entity having responsibility for maintaining a memorial, or a nonprofit entity acting with permission of the public entity, shall have the authority to take proper and

appropriate measures, and exercise proper and appropriate means, for the care, preservation, protection, repair, restoration, and renovation of the memorial.

(B) This subdivision (b)(3) shall not be construed to authorize:

(i) Permanent removal or concealment of a memorial; or

(ii) Temporary removal or concealment of a memorial for a period exceeding forty-five (45) calendar days in any twelve-month period.

SECTION _____. Tennessee Code Annotated, Section 4-1-412(c), is amended by deleting subdivision (1) and substituting instead the following:

(1) A public entity exercising control of a memorial may petition the commission for a waiver of subdivision (b)(1) or (b)(2), or both, if applicable. SECTION _____. Tennessee Code Annotated, Section 4-1-412(c), is amended by deleting subdivision (6) and substituting instead the following:

(6) An interested entity, group, or individual shall be afforded an opportunity to offer public comments regarding a petition for waiver at any commission hearing on a petition. An interested entity, group, or individual may file a memorandum, report, study, letter, or other document related to the petition for consideration by the commission. In addition, an interested entity, group, or individual may intervene in any petition for waiver by filing written notice with the commission not less than forty-five (45) calendar days prior to the final hearing. Upon filing notice, the interested entity, group, or individual shall be a party in all proceedings on the petition for waiver, shall receive copies of all filings, and may present relevant testimony and evidence at any hearing on the petition. Once notice is filed with the commission, the status of the interested entity, group, or individual as a party to the petition for waiver, and any subsequent or concurrent administrative or judicial proceedings, may only be waived in writing by the interested entity, group, or individual.

SECTION _____. Tennessee Code Annotated, Section 4-1-412(c)(9), is amended by deleting the language "or interested entity, group, or individual who testified or submitted evidence at the final hearing" and substituting instead the language "or interested entity, group, or individual who intervened in accordance with subdivision (c)(6)".

SECTION _____. Tennessee Code Annotated, Section 4-1-412, is amended by deleting subsection (d) and substituting instead the following:

(d) Any entity, group, or individual who can demonstrate a real interest in a memorial through aesthetic, architectural, cultural, economic, environmental, or

To the extent necessary to preserve the status of any memorial prior to a final determination on a waiver or complaint by the commission, administrative law judge, or chancery court, the court shall issue a restraining order or injunction to preserve the memorial and any related public property pending a final ruling on any request for injunctive relief. No bond or other security shall be required for any restraining order or other injunctive relief issued.

SECTION _____. Tennessee Code Annotated, Section 4-1-412, is amended by adding the following language as new subsections:

()

(1) The commission has authority to receive and consider complaints alleging violations of subdivision (b)(1), (b)(2), or (b)(3)(B).

(2) Complaints may be filed by any entity, group, or individual. All complaints must be in writing on a uniform complaint form to be posted on the website of the commission. Complaints must be filed within one hundred twenty (120) calendar days of the alleged violation.

The complainant and the public entity shall be afforded the opportunity to present evidence at the hearing. At the hearing, the commission may determine that a violation has occurred by a majority vote of the entire membership of the commission; provided, that if the complainant is a member of the commission, the member shall not participate in the commission's deliberations or vote on the complaint. If a violation has occurred, the commission shall prepare a written violation determination. The complaint shall be deemed dismissed if a violation is not determined to have occurred at the hearing. Once acted upon, no complaint alleging the same, or substantially the same, violation by the same public entity during the same episode shall be received and considered by the commission unless initiated by the commission.

(4) The commission shall transmit a copy of a violation determination to the public entity and to the department of economic and community development.

(5) A public entity that violates any provision of this section shall be precluded from receiving grants administered by the commission and the department of economic and community development for a period of five (5) years from the date upon which a violation determination is made.

() The commission, at its discretion, may assist any public entity or historic organization with preservation of a memorial through consultation, best practices, or other available resources.

() Notwithstanding any provision of this section, in lieu of a waiver, a historic organization may petition the commission to transfer ownership of, relocate, or both transfer ownership of and relocate, a memorial to the historic organization with the consent of the public entity exercising control over the memorial. The petition must be filed with a copy of a resolution, ordinance, or order from the governing body of the public entity consenting to the transfer, relocation, or both transfer and relocation. The petition must include an assessment of costs associated with the transfer, relocation, or both transfer and relocation, and identify who will be responsible for the costs. If the petition includes relocation, a description or map of the proposed location must be submitted with the petition.
